GENERAL NOTES

1. All dimensions on this drawing are in feet and inches.
2. Only written dimensions are to be followed. drawing should not be scaled.
3. All measurements must be checked and verified by the contractors prior to execution of work at the site.
4. This drawing is to be read in conjunction with all relevant structural, services & facility planning drawings.
5. Architectural drawings are to be followed for the location of all structural members & masonry walls. for sizes & reinforcement details of structural members, relevant structural drawings are to be referred.
6. Any discrepancies between architectural, structural and services drawings must be brought to the notice of the architects immediately & prior to execution at site.
7. Co-ordination with services such as hvac, plumbing & electrical, etc. is the responsibility of the contractors.
8. All masonry walls should be aligned with the columns as indicated on the plan, irrespective of the position as calculated with the dimensioning.
9. For details, refer relevant large scale detail drgs. as indicated.
