REVISION

S No	DATE	REVISION DESCRIPTION
1		GENERAL NOTES :
2		All dimension on this drawing are in MMS System. Only written dimensions are to be followed. Drawing should not be scaled.
3		All measurements should be checked and verified by the contractor prior to execution of work at the site.
4		This drawing is to be read in conjunction with all relevant structural, services & facility planning drawings.
5		Architectural drawings are to be followed for the location of all structural members & masonry walls, for doors & reinforcement details of structural members. Relevant structural drawings are to be referred.
6		Any discrepancies between architectural, structural and services drawings must be brought to the notice of the architect immediately & prior to execution of work.
7		Coordination with services such as fire, plumbing & electrical, etc. is the responsibility of the contractor.
8		All masonry walls should be aligned with the columns as indicated on the plan irrespective of the position as calculated with the dimensioning.
9		For details, refer relevant large scale detail drawings, as indicated.
