Mahima Real Estate Private Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the Standalone Financial Statements of Mahima Real Estate Private Limited ("the Company"), which comprises the Balance Sheet as at 31st March 2021, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and notes to the Standalone Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31st, 2021 and its Loss and its Cash Flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Foot Note No. 2 of Note No. 2.16 where Company has mentioned that the advances against development agreement includes amount of ₹ 6,72,33,688/- recoverable from the land owners paid as advance against the Development agreement for the Project 'Eminence'. Also the Company has incurred ₹ 2,88,29,609/- towards the development cost of the Project included in the inventory under the heading Construction Work in progress. As the land owner failed to provide clear title of the land, Company is claiming entire amount of advance and Development cost i.e. ₹9,60,63,298/- (₹ 6,72,33,688/- + ₹ 2,88,29,609/-) along with Interest from the land owners for which matter is pending under arbitration. Company is quite hopeful for the recovery of claim along with interest thereon.

A search was conducted by Goods and Service Tax (DGGI) Department on 01.02.2021 and certain documents, papers etc. have been impounded by the department. During the course of search the company has deposited ₹ 65,10,300.00/- as GST on adhoc basis pending assessment/determination of additional liability (if any) on completion of the search proceedings by the GST department for earlier period, based on the verification/scrutiny of the seized documents, papers etc. Pending completion of such assessment/determination of additional liability, as an abundant precaution and considering prudence, a provision has been made in the books equivalent to the amount deposited as above (also refer Note No.2.8 & 2.25). Any additional liability (if any), which may arise on completion of the proceedings by the GST department/decision of the appellate authorities, will be accounted for in the year of such determination/decision, the impact thereof is not quantifiable at this stage.

Our opinion is not modified in respect of above matter.

Other Information other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of 'other information'. The 'other information' comprises the Director's Report including Annexures and other company related information, but does not include the Standalone Financial Statements and our Independent auditor's report thereon. The 'Other information' identified above is expected to be made available to us after the date of this Auditor's Report.

Our opinion on the Standalone Financial Statements does not cover the 'other information' and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the 'other information' identified above when it becomes available and, in doing so, consider whether the 'other information' is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated.

When we read the 'other information' identified above, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate actions, if required.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate Internal Financial Controls with reference to Standalone Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the said Order.
2. As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with the Companies (Accounting Standards) Rules, 2006.
- e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to Standalone Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate report in 'Annexure 2'.
- g) Being a Private Limited Company, provisions of Section 197 is not applicable to the company. Hence, reporting in accordance with requirement of provisions of section 197(16) of the Act is not applicable on the Company.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations except those where quantum is unascertainable, on its financial position in Note No. 2.29(A) to its Standalone Financial Statements.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

Annexure 2 to the Independent Auditor's Report

Referred to in Paragraph 2(f) under "Report on Other Legal and Regulatory Requirements" section of our report on even date to the members of MAHIMA REAL ESTATE PRIVATE LIMITED on the Standalone Financial Statements for the year ended 31st March 2021.

Report on the Internal Financial Controls with reference to Standalone Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Act.

We have audited the internal financial controls with reference to Standalone Financial Statements of MAHIMA REAL ESTATE PRIVATE LIMITED ("the Company") as of 31st March 2021 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls with reference to Standalone Financial Statements based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by The Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Standalone Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Standalone Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with reference to Standalone Financial Statements and their operating effectiveness. Our audit of internal financial control with reference to Standalone Financial Statements included obtaining an understanding of internal financial control with reference to Standalone Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Standalone Financial Statements.

Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A Company's internal financial control with reference to Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to Standalone Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Standalone Financial Statements to future periods are subject to the risk that the internal financial controls with reference to Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to Standalone Financial Statements in place and such internal financial controls with respect to Standalone Financial Statements were operating effectively as at 31st March 2021, based on the internal controls over financial reporting criteria established by the Company considering the components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAI.

**SIGNIFICANT ACCOUNTING POLICIES & NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST MARCH 2021**

1. Significant Accounting policies

1.1 Basis of Preparation of Financial Statements

These financial statements are prepared in accordance with the Generally Accepted Accounting Principle (AS) under the historical cost convention on the accrual basis in accordance with accounting principles generally accepted in India and Income Computation & Disclosure Standards (ICDS) I-X issued by CBDT, GAAP comprises mandatory accounting standards as prescribed under section 133 of the Companies Act 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules 2014. Accounting Policies have been consistently applied except where a newly issued accounting standard is initially adopted or are vision to an existing accounting standard requires a change in accounting policy hereto in use.

1.2 Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the result of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Significant estimate used by the management in the preparation of these financial statements include computation of percentage completion for projects in progress, project cost, revenue and saleable area, estimates of the economic useful lives of fixed assets, provisions for bad and doubtful debts. Any revision to accounting estimates is recognized prospectively.

1.3 Inventories

Inventories which comprise land, land development cost, construction material and consumables, construction work-in-progress, completed project etc. are valued at lower of cost and net realisable value. Cost comprises of costs that are directly related to specific project or costs that can be attributable to the project activity in general. Such costs includes cost of land, cost of construction material & services, borrowing cost and directly attributable overheads including employee cost incurred till project completion stage. However, where total project cost is estimated to exceed total revenue from the project, such loss is recognised immediately in the statement of profit & loss following the principle of prudence.

1.4 Cash and Cash Equivalents

Cash and Cash Equivalents in the Balance Sheet comprise cash on hand and at banks and short term deposits with an original maturity of 3 months or less, which are subject to an insignificant risk of changes in value.

1.5 Property, Plant & Equipment

Property, Plant & Equipment (Gross Block) are stated at cost of acquisition or construction, less accumulated depreciation and impairment, if any. Cost comprises the purchase price and any attributable cost (including borrowing cost) of bringing the asset to its working condition for its intended use and is depreciated in the useful life and in the manner prescribed in Schedule II of the Companies Act, 2013 on written down value method. These useful lives in the opinion of the management reflect the economic useful life of the assets. Fixed assets with value equal to or less than Rs 5,000 is 100% depreciated in the year of purchase itself.

1.6 Intangible Assets

Intangible Asset i.e. software which is not an integral part of related hardware is depreciated/amortised on Straight Line Method basis considering best estimate of its useful life of 3 years as provided in Accounting Standard 26 considering NIL residual value. Depreciation on additions/disposals during the year is provided on pro-rata basis.

1.7 Revenue Recognition & Related Cost

(a) Project for which revenue is recognised for the first time on or after April 1, 2012

With effect from April 1, 2012 in accordance with the Revised Guidance Note issued by the Institute of Chartered Accountants of India ("ICAI") on "Accounting for Real Estate Transactions (Revised 2012)", the Company revised its Accounting Policy of revenue recognition for all projects commencing on or after April 1, 2012 or project where the revenue is recognized for the first time on or after the that date. As per the Guidance Note, the revenue have been recognized on percentage of completion method provided all of the following conditions are met at the reporting date:

- (i) atleast 25% of estimated construction and development costs (excluding land cost) has been incurred;
- (ii) atleast 25% of the saleable project area is secured by the Agreements to sell/ application forms (containing salient terms of the agreement to sell); and
- (iii) atleast 10% of the total revenue as per agreement to sell are realized in respect of these agreements.

(b) Project for which revenue recognition had commenced prior to April 1, 2012

The Company follows Project Completion Method of Accounting. Revenue is accounted for as and when the projects get completed or substantially completed. The revenue is recognized to the extent it is probable that economic benefits will flow to the Company and the revenue can be reliably measured.

(c) Basis of Quantification of Revenue & Related Cost:

- (i) Sale consideration receivable/received is recognized as revenue on the basis of percentage of actual project cost incurred (including land) to the total estimated development and construction cost of such project, i.e., cost already incurred and yet to be incurred.
- (ii) The estimates of the saleable area and cost are reviewed periodically by the management and any effect of changes in estimates is recognized in the period where such changes are determined.
- (iii) Cost of construction/development is charged to the Statement of Profit and Loss proportionate to the revenue recognized as above, in consonance with the concept of matching cost and revenue.
- (iv) Booking money received in advance is considered as current liability till the recognition of revenue.
- (v) Amount payable to development or improvement authorities in respect of development works to be carried by them are recovered from buyers on estimated cost basis. Difference, if any on completion of project would be
- (vi) Brokerage & Commission is accounted for as an expense in the year of incurrence.

(d) Other Revenues:

- (i) Income from interest is accounted for on time proportion basis taking into account the amount outstanding and
- (ii) Dividend income is recognized when the right to receive is established by the reporting date.
- (iii) Share of profit or loss from firm in which the company is a partner is accounted for in the financial year
- (iv) Rent income, service receipts and interest from customers under agreement to sale is accounted for on accrual basis except in cases where ultimate collection is doubtful.

1.8 Foreign Currency Transactions

- (a) Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction or that approximates the actual rate at the date of the transaction.
- (b) Monetary items denominated in foreign currencies at the year end are restated at year end rates.
- (c) Non monetary foreign currency items are carried at cost.

1.9 Investments/ Investment Properties

Investments that are intended to be held for more than a year, from the date of acquisition, are classified as long term investments and are carried at cost. However, provision for diminution in value of investments is made to recognize a decline, other than temporary, in the value of investments. Investments other than long term investments being current investments are valued at cost or fair value whichever is lower, determined on an individual basis. Investment Properties are valued at acquisition cost. Depreciation is provided on properties held for rentals (excluding value of land) on WDV method at the rates provided in schedule II of Companies Act, 2013 in accordance with requirement of AS-6 on "Depreciation Accounting".

1.10 Employees Benefits

- (a) Short term employee benefits are recognized as an expense at the undiscounted amount in the profit and loss statement of the year in which the related service is rendered. Employee benefits such as PF, family pension, ESI etc. are treated as defined contribution plan and such contributions are charged to Profit & Loss Statement when contributions to the respective funds are due.
- (b) Post employment and other long term employee benefits are recognized as an expense in the Profit & Loss Statement of the year in which the employee has rendered services and treated as defined benefit plans. These expenses are recognized on the assumption that such benefits are payable at the end of the year to the eligible employees.

1.11 Borrowing Cost

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to Profit and Loss Statement.

1.12 Segment Reporting

The Company's reporting segments are identified based on activities, risk and rewards structure, organisation structure and internal reporting systems. Segment revenue and expense include amounts which can be directly attributable to the segment and allocable on reasonable basis. Segment assets and liabilities are assets/liabilities which are directly attributable to the segment or can be allocated on a reasonable basis. Income/Expenses/Assets/Liabilities relating to the company as a whole and not allocable on reasonable basis to business segments are reflected as unallocated Income/Expenses/Assets/Liabilities.

1.13 Lease accounting

In respect of operating lease, lease rentals are accounted on accrual basis in accordance with the respective lease agreements where recovery of certainty exists. Recurring costs are recognized as an expense in the statement of profit and loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognized in the profit and loss statement.

1.14 Accounting for Taxes on Income

Current Year's tax is determined as the amount of tax payable in respect of taxable income for the current year in accordance with provisions of Income Tax Act, 1961 net of MAT credit entitlement in view of guidance note issued by ICAI. Deferred tax resulting from "timing difference" between taxable and accounting income is accounted for using the tax rates and laws that are enacted or substantively enacted as on the balance sheet date. Deferred tax asset is recognised and carried forward only to the extent that there is a virtual certainty that the asset will be realised in future.

1.15 Impairment of Assets

The Carrying amounts of assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal/external factors, the same is provided for. An asset is impaired when the carrying amount of the asset exceeds the recoverable amount. An impairment loss is charged to the Profit and Loss Statement in the year in which an asset is identified as impaired. An impairment loss recognized in prior accounting periods is reversed if there has been change in the estimate of the recoverable amount.

1.16 Provisions, Contingent Liabilities and Contingent Assets

- (a) Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if:
- (i) the Company has a present obligation as a result of a past event.
- (ii) a probable outflow of resources is expected to settle the obligation and
- (iii) the amount of the obligation can be reliably estimated.
- (iv) Reimbursement expected in respect of expenditure required to settle a provision is recognized only when it is virtually certain that the reimbursement will be received.

- (b) Contingent Liability is disclosed in the case of:
- (i) a present obligation arising from a past event, when it is not probable that an outflow of resources will be required to settle the
- (ii) a possible obligation, unless the probability of outflow of resources is remote.
