ORDER

10.06.2025

1. The present case is listed before this Authority today. The complainant was not present. Despite regular persuasions, the complainant did not remove the objections in the complaint pointed out by the Authority. This leads us to infer that the complainant is not interested in pursuing his case. In these circumstances, the present complaint deserves to be dismissed.

2. Hence, the present complaint is dismissed as non-prosecution.
