

Building
Relationships

09 March 2023

Dear Sir,

We request you to kindly consider our request for project extension. We were not able to execute the project as per stipulated timelines due to unforeseen reasons coupled with COVID related impact on business.

We have clear intention to deliver the product to all our esteemed customers and are putting necessary resources in place, so that, we are able to complete the project.

Thanks for your understanding and continued support. Looking forward to a favourable response.

Thanking You
